

Manor Practice Patient Participation Group

Chairs Report

AGM

The AGM was a very positive meeting. There were some interesting comments from a patient which were all taken on board and answered.

Keith Grima

Sadly Keith has made the decision not to join us. I sent his email to everyone explaining his reasons which I for one totally understand. The charity he has joined are very lucky to have him and I'm sure you will join me in wishing him well.

Mental Health Awareness Event

Everything is now in place and hopefully we have advertised it and publicised it to the extent patients will want to attend. I personally do not think any of us could have worked harder to make it successful.

PPG Committee

With 8 members we are still a strong team. However I'm sure we all realise we need to recruit new members to strengthen the team for the future. In this busy world more and more people prefer to do things via the internet and so perhaps we need to concentrate on making sure our virtual group are always up to date on what is happening with the PPG - which I will refer to in AOB.

Re recruitment for the Committee, Sue is organising the Coffee Morning with (hopefully) Tom's and Jackie's support. This will be discussed in the meeting.
